

Nevada Procurement Technical Assistance Center (PTAC), Procurement Outreach Program (POP)

The Nevada PTAC, POP, which is under the Nevada Governor's Office of Economic Development (GOED), State of Nevada, provides procurement technical assistance to established Nevada businesses in their pursuit of local, state and federal government contracting and subcontracting opportunities.

As a *FREE* resource to Nevada companies based on a cooperative agreement*, the Nevada PTAC helps to increase the flow of local, state and federal government contract dollars to Nevada businesses to facilitate job creation, job retention and business expansion in Nevada's growing diversified economy.

By increasing the number of Nevada businesses capable of doing business with the government, the Nevada PTAC is helping to foster competition and reduce the cost of acquisitions for government agencies, which is beneficial to the American taxpayer.

Following are *FREE* services provided by the Nevada PTAC – please call the Las Vegas office 702.486.3514, Carson City office 775.687.9921 or Fallon office 775.687.9922, or email procurement@diversifynevada.com, for an appointment:
